

Jabra GN

Jabra Talk 30

Engineered for on-ear comfort and calls made easy.

Clear HD calls.

Enjoy clear conversations with an omni-directional High Definition Voice microphone.

On-ear wearing style.

Ergonomically designed, the Talk 30 speaker sits on your ear using an EarGel™ and an Earhook, for all-day comfort.

Long lasting.

With up to 5 hours of calls and up to 7 days of standby time, make reliable Bluetooth calls throughout the day on a single charge, and receive spoken updates on your battery status.

Stream from your phone.

The Talk 30 gets the most out of your media, letting you wirelessly stream music, podcasts and GPS directions from your mobile phone. It also comes with Voice Guidance, giving updates on your connection status.

Easy to use.

With just one button controlling most tasks, making and taking calls is simple and intuitive. The headset gives spoken updates when it's connected, and automatically adjusts volume and background noise.

Premium design.

Designed with features to make a busy life-on-the-move easier, Talk 30 adds style and sophistication with a brushed steel surface and transparent Earhook.
