

## SlimBlade™ Trackball

The Ball That Can Do It All

K72327EU

### Product Description

Comfort and productivity are at your fingertips with the SlimBlade Trackball. Your computing experience gets smoother, faster and easier with a ball that can do it all. In addition to the usual productivity gains that come with a trackball, with a simple twist of the ball, you'll be scrolling up and down pages. It offers better ergonomics, with less wrist and hand movement that will ease the pain of repetitive-stress injuries. TrackballWorks also allows you to turn your trackball into the ultimate media controller so you can adjust volume, hit play/pause, stop, and forward/back. The sleek, low-profile design provides all-day comfort while advanced laser technology and a large 55mm ball deliver exceptional precision.

### Features

- Scroll up and down web pages and documents with a simple twist of the 55mm ball
- PC and Mac® compatible
- Compatible with Windows Vista® and Mac OS® X. TrackballWorks™ software downloadable from [www.kensington.com](http://www.kensington.com)
